Contemporary Technique

Energetic and dynamic sequences to develop flexibility, strength and dance skills.

Chance to Dance and Strictly Dancefest Fit classes

Relaxed, fun and upbeat classes for men and women. They improve balance, posture and co-ordination, with easy to follow dance routines in different styles. Also look out for classes at Malvern Theatres.

Jigsaw inclusive Dance

These classes take place in Hereford and Worcester. Fun, exercise, and the chance to make new dances. In summer, we'll be making dances about the things we like to do, the places we like to go.

You Time Relaxation

Buy a block of 6 x 45 minute filmed sessions of gentle movement and relaxation techniques, to use at a time of your choosing in the comfort of your own home. A wonderful way to destress.
